This **pay** system is similar to the OPM's General Schedule Plan that covers over 3 million civilian and military personnel of the United States Government. The **GG pay scale** should be identical to the regular GS **pay scale**, although there are some provisions for steps beyond step 10 in case you have to take a downgrade. So if you are a **GG-13** and have to take a **GG-12** position, they can still match your **pay** even if you go past 12/10. The General Schedule (GS) is the predominant **pay scale** within the United States civil service. The GS includes the majority of white collar personnel (professional, technical, administrative, and clerical) positions. As of September 2004, 71 percent of federal civilian employees were paid under the GS. The **GG pay** rates are identical to.
